Dear David:

Enclosed are 12 copies of our Note, Case Studies of U.S. Service Trade in Japan. The integrative Report with policy conclusions will follow in a few days.

Two copies of the Note are intended for your internal use in seeking public release. That is, before Rand can go into full distribution of the document, we will require written approval for its release to the public. (Our initial distribution list will be submitted to you in a few days for your review.)

Best regards,

Arthur J. Alexander
